In Saunders County the Storm Destroyed Everything in Its Wake. Large Quantity of Stock Was Killed—Several Persons Injured.

AVOCA, Ia., May 1.—A tornado struck this place at 5:30 p. m. Sunday, doing considerable damage to property. The storm moved in a southerly direction and passed through the outskirts of the town. Two houses on the outskirts were blown down and a barn was hurt. In the confusion, as this dispatch is sent, it is impossible to learn the names of the occupants as they are newcomers.

Three miles southeast of Avoca a farmer named Hunt lost his barn and part of his stock. His house was slightly damaged and two members of his family slightly injured.

The storm next struck Oakland, four miles south of Avoca. Near this place the barn on the farm of Richard Fries was utterly demolished and some stock killed. The family was absent at the time. A man named Pulkett, residing on an adjoining farm, lost his barn, some cattle and had his house partly wrecked, but no one was hurt. A mile further on the wind wrecked the house, barn and other outbuildings of John Hunt, a farmer. The contents of the house were strewn all over the surrounding country. (One member of the family was slightly injured. Between Avoca and Oakland telegraph and telephone poles were prostrated and communication cut off for several hours. Trees three inches in diameter were either twisted or torn up by the roots. The wind was accompanied by rain.

OMAHA, Neb., May 1.—This has been a day of severe storms in Nebraska, and all sorts of rumors are coming in to Omaha Sunday night about serious damage done by the wind. For the past three days gales have prevailed throughout the state, accompanied by rain, and in a few places a fall of hail. In western Nebraska dust storms made life well nigh unendurable and started prairie fires, which did considerable damage.

Sunday night severe thunder storms prevailed in the eastern part of the state and continued up till noon Sunday. At Omaha the rainfall was the heaviest known for years at this season, doing some damage to private property and washing out sewers in some parts of the city. Along the line of the Union Pacific the wind has done considerable harm. At North Platte Sunday a hundred telegraph poles were prostrated. At Valparaiso, in Saunders county, a wind approaching the proportions of a tornado demolished some farm buildings and killed some stock. Wahoo, the county seat of Saunders county, reports slight damage.

Heavy rains, accompanied by strong winds reported at Fairbury, Geneva, Fremont, Columbus and Schuyler.

VALARIES, Neb., May 1.—A tornado Sunday passed through Saunders county, about four miles west, destroying everything in its wake. A large quantity of stock was killed. The wind was slightly hurt. The damage to property was equivalent to several thousand dollars. The storm went in a northerly direction and was about a quarter of a mile wide.

Col. Egbert's Remains in St. Paul. ST. FRANCISCO, May 1.—The transport Sherman arrived here last night with the remains of Col. H. C. Egbert, of the 72d United States Infantry, who was killed in the attack on Manila. They will be placed in the mortuary chapel of St. Paul's church until the arrival of the late officer's family from Philadelphia.

Fire in a Ship Yard. FRESNO, May 1.—A serious fire broke out Sunday in Krupp's German yards, resulting in the destruction of several steamships and workshops and doing damage to the value of 100,000 pounds sterling. Two German men-of-war that are in progress of construction in the yard were saved with the utmost difficulty.

Terrible Electric Storm. DUBUQUE, Ia., May 1.—A terrible electric storm Sunday, followed by excessive rain, did much damage throughout this section. The rainfall amounted to two inches. The wind was rain, cracks in the country overflooded, and many small bridges were swept away.

Libel Suit Against Senator Clark. BUTTE, Mont., May 1.—State Senator Fred Whitehead has filed a libel suit against United States Senator Clark for \$100,000. The suit grows out of recent bribery charges.

# DEADLY PRAIRIE FIRES.

Everything Destroyed in Its Path.—Mrs. Rolla Livingston and Her Son Burned to Death.

COLERIDGE, Neb., May 1.—A prairie fire burning in the hay fields at Orlong, the northern tier of the county, ten miles from this place Sunday afternoon, passed into the track of a tornado and was swept with the speed of the wind diagonally across this county for 35 miles, destroying everything in its path. In its early lives lost, as far as known, were those of Mrs. Rolla Livingston and her five-year-old son. The woman saw the fire coming and ran to a pasture to release the family stock. The boy followed her. Both were knocked down by the terrified animals. The fire passed over them before they could get out of the way. The body of the boy was almost consumed and Mrs. Livingston lived but a few hours.

A great many cattle were overtaken and burned. A large number of farm houses were destroyed, and the houses escaped by seeking refuge beyond the track of the storm. The path of the fire was nearly one mile wide.

Some of the losses are: Rolla Livingston, \$10,000; Mrs. Livingston, \$8,000; David Walker, \$10,000; Isaac Pritchell, \$2,000; W. A. Bennett, \$5,000; Joseph Hodgkin, \$20,000; Wm. Weber, \$75,000; James Parsons, 300 head of stock, etc. \$12,000; Wm. Zook, a large number of horses and cattle, \$10,000.

## HIS VALUABLE FIND.

Commissaire McAllister White Diving With Cigar, Coughin Hit Into a Glass and Found a Pearl Worth \$5,000.

PHILADELPHIA, May 1.—A beautiful pearl, the value estimated at \$5,000, has come into the possession of Commissaire E. L. C. McAllister, of the first ward, chairman of the Dreyfus day celebration. While the officers of the celebration were being dined at the Hotel Walton, McAllister presided at the table. As he had just opened a clam he was greatly surprised to find something hard, like a stone in his mouth.

He took from his mouth a hard, shining substance, the luster of which aroused the curiosity of the diners. Commissaire Lang, an expert on precious stones, at once pronounced it a pearl of great value. Capt. Coughin, chairman of the "Baleigh," and Mr. McAllister has decided that this will be its name.

Experts have estimated the value of the stone at \$5,000, and all agree that it is one of the most brilliant pearls ever seen in this country.

Willis Lee, Colored Tark, from the Jail at Osceola, Ark., and Hanged in the Jail Yard by Forty Men.

MEMPHIS, Tenn., May 1.—Information was received in Memphis Sunday night that Willis Lee, a Negro, aged about 30 years, was taken from the jail at Osceola, Ark., Sunday morning at 1 o'clock and hanged in the jail yard by a mob of 40 men. News was in jail on a charge of barn burning. After being suspended in mid-air for some time, Lee confessed the crime of which he was charged and he was then hanged.

Several houses have been burned in the neighborhood of Osceola recently, and this is given as the reason for the mob taking the law into its jurisdiction.

# GEN. OTIS' TERMS.

General Amnesty the Only Terms the American Commander Will Give Filiphinos.

## RESULT OF THE SECOND CONFERENCE.

Filipino Commissioners Return to Gen. Luna for Further Instructions in Regard to Surrender.

The Enemy Practically Admit That Their Army Was in Very Desperate Straits and Are Thoroughly Wiped—Will Surrender Soon.

WASHINGTON, May 1.—Gen. Otis called the war department that the conference with the Filipinos terminated Saturday morning. He says they waited three weeks in which to allow their congress to decide whether hostilities should cease. The proposition was declined. The representatives referred to the insurgent lists. Gen. Otis says the insurgents are tired of fighting and are not doing the best terms.

In another cable Gen. Otis expresses thanks to the president for his appreciation of the work of the army in the Philippines.

It is stated at the war department that the insurgent leaders probably will confer and seek another conference with Gen. Otis, and that they will not doubt grant general amnesty.

The full text of the dispatches from Gen. Otis are as follows: MANILA, April 29.—Adjutant General Washington: Conference with the insurgent representatives terminated Saturday morning. Their request of cessation of hostilities for three weeks to enable to call their congress to decide whether to continue prosecution of war or propose terms of peace.

The proposition declined and full amnesty promised on surrender. Believe insurgents tired of war but seek to secure terms of peace through what they denominated their representative congress. OTIS, MANILA, April 29.—Adj. Gen. Washington: The congratulations of his excellency, the president, for which grateful, will be conveyed as directed.

OTIS, MANILA, May 1.—The envoy from Gen. Luna was very hospitably treated by Gen. Otis, who provided them with a house and with a guard and permitted them to visit friends here. Returning to the palace Saturday morning, the envoys saw an illustration of American resources. All day long of wagons and pack mules was just starting with provisions to Gen. Lawton, who has reached Maricao.

LONDON, May 1.—Members of the Filipino junta here made the statement to a correspondent Saturday that the peace negotiations between the United States authorities at Manila and Gen. Luna were unofficial in character. Gen. Luna, the junta asserts, does not represent Aguinaldo's government. It is further asserted by the junta that secret negotiations between Dean C. Worcester, of the United States Philippine commission, and a representative of Aguinaldo, have been in progress since before the attack on Manila. The following conditions, it is alleged, were proposed after the capture of Manila. The Americans to issue a proclamation granting the Filipinos self-government and political rights in the islands; Manila to remain in the possession of the United States until congress decides otherwise; the American flag to fly over the capitals of the islands and in the most prominent positions along with the Filipino flag, except at Manila, where only the American flag shall fly, in token to fly the American flag with that of the Filipinos; the Roman Catholic clergy are to be under the same administration as that in the United States; Spanish clerical direction and intervention to be abolished; the status quo of rural property belonging to the religious orders to be maintained, without return to the antebellum state of affairs; hospitals and schools formerly administered by the orders, to be handed over to the government, the orders to retain only their present town property; the secular clergy to retain their property.

The 16th Indiana Regiment Paid Off at Navaahua, Cal.—On the Way to Washington to Be Reviewed.

SAVANNAH, Ga., May 1.—The 16th Indiana regiment, Col. W. T. Durbin, was mustered out of the service Sunday. The payment of the men was commenced by three paymasters. An unusual incident of the muster out was the fact that a great many of the retail stores of the city opened their stores for the accommodation of the men and to deliver packages sold to them Saturday. The first section of the three trains that carried the Indiana's to Washington left the depot at 2 o'clock. The others followed within a few minutes. The regiment will arrive at Washington Monday morning and in the afternoon will be reviewed by the president from the portico of the white house.

## SCHURMAN UNDER FIRE.

The President of Cornell University of the Comet Cycle Co., of Toronto, one of the oldest and largest bicycle manufacturing firms in Canada. No statement has yet been given as to the firm's financial condition.

SEATTLE, Wash., May 1.—Mail addressed from Manila received Sunday are full of interesting incidents of the fighting before Malabon. President Schurman, of Cornell university, a member of the Philippine commission, had a narrow escape from death while with Gen. Whenshaw's brigade. He was sitting on a trench when a large rifle fired opened fire. A stray shot warned him to seek cover, which he did by speedily falling into the trench.

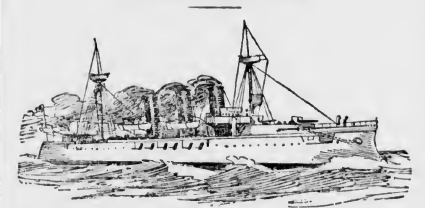

He lay there more than an hour, while the Filipinos sent snuff-balls while singing over his head. An occasional bullet would graze the top of the trench and shower the college man with dirt.

The rebels were finally dislodged and President Schurman returned to Manila.

## Enormous Hailstones.
